

OCR Certificated Dementia Awareness 201

Overview

The aim of the unit is to enable delegates to gain knowledge of what dementia is, the different forms of dementia and how others can have an impact on the individual with dementia.

Delegates will complete a work-book in class, have professional discussions and receive handouts.

Learning Outcomes

- Understanding what dementia is
- Understand key features of the medical and social models of dementia
- Know the most common types of dementia and their causes
- Understand factors relating to an individual's experience of dementia

Duration

8 hours (2 x 4 hour workshops)

Certificate

On successful completion of the course and work-book, OCR will issue an accredited certificate for Dementia Awareness.
